Vantage & AiSPiRE Brighter Together Dealer Profit Promotion (DPP)

SUMMARY

Vantage Controls and AiSPiRE are coming together for a strategic alliance designed to put more profit in your pocket!

With dynamic, human centric lighting programming readily available and stunning keypad aesthetics, Vantage provides best in class lighting control. Paired with WAC's AiSPiRE integration-only lighting brand, offering a history of excellence for lighting aesthetics and function, dynamic lighting has never been easier. To kick start our alliance, starting March 15th, we're rewarding dealers for unified project specifications.

MISSION

Register a project between March 15th and December 31st with both Vantage and AiSPiRE products and receive a **5% discount from both Vantage and AiSPiRE** when the order is placed. This equates to more...

PROFIT IN YOUR POCKET!

REGISTRATION

You, or your sales representative, can register projects using the link below. Please complete the entire form so Vantage and AiSPiRE can match the registration with the order when it is placed. Projects must be registered to be eligible for the DPP.

[CLICK HERE TO REGISTER PROJECTS](#)

DETAILS

Projects must be in the US or Canada to be eligible. Projects must be preregistered via the **link** to be eligible for the DPP discounts when the order is placed. Orders do not have to be placed within the specified registration time frame to be eligible for discounts, as long as they were registered within the program date range. Please contact your local Vantage or AiSPiRE Integration Representative or RSM for further details.
